EXPERIENCE

Fresher

CAREER OBJECTIVE

An enthusiastic and motivated BCA graduate seeking a beginner role to enhance and explore my technical knowledge. I am an innovative front-end web developer skilled at creating web designs and functionalities. I consider myself a responsible person, and I am looking forward to my first work experience. I aim to work with a company where I can increase my knowledge and learn new skills for the benefit of the company as well as myself.

CERTIFICATIONS

- Front-End Web Development with React - Tops Technologies
- Web Development Course - ApnaCollege
- PHP Web Development - ICEI

PROJECTS

Ola Electrics Clone

- Developed a responsive clone of the Ola Electrics website using HTML, CSS, and JavaScript.
- Implemented dynamic features such as carousels, modals, and interactive forms.
- Ensured cross-browser compatibility and mobile responsiveness.

Netflix Clone

- Created a functional Netflix clone focusing on UI/UX using HTML, CSS, and JavaScript.
- Designed an intuitive and visually appealing user interface for browsing movies and shows.
- Ensured responsive design for seamless viewing across various devices.

PSD to HTML Conversion

- Converted PSD design files into fully functional HTML and CSS web pages.
- Ensured pixel-perfect accuracy and maintained design integrity.
- Implemented best practices for clean and efficient code.
